Rox and I agree with Stuart. We will be tasked to report to the various parties throughout the year at least during the first 2 years of the AOC.

Steve/Roxanne,

Please be sure to consolidate all of the DOH comments and respond back to EPA this afternoon. I am basically okay with the revised version and only have a suggestion/comment on Section 1.2, Community Involvement.

Thanks,
Stu

Subject: Revised SOW following 08SEP Navy call

Hawaii,

Attached is the draft SOW incorporating changes discussed on our call yesterday with all of the Parties. Highlights in the document indicate where changes were made. **Please review and let us know if you have any suggested revisions, or concur with this version and send back to EPA by COB today.**

It is our intention, as discussed on the call, to send this to Navy and DLA by early tomorrow morning.

Thanks,
